OFFICE OF PETITIONS

PETITION FOR REVIVAL OF AN APPLICATION FOR PATENT  
 ABANDONED UNINTENTIONALLY UNDER 37 C.F.R. §1.137(b)

1. This application became abandoned on November 15, 2002.
2. The United States Patent and Trademark Office notified the applicant's attorney that the application had become abandoned for failure to timely respond to a Notification of Missing Requirements mailed 22 February 2002, i.e., Declaration and Power of Attorney signed by Inventor. This Notification of Missing Requirements was never received by Applicant or Applicant's attorney due to incorrect mailing address on file, which was inadvertent and unintentional.
3. This application became abandoned because the failure to prosecute was unintentionally delayed. The entire delay in filing the required reply from the date due until the filing of this petition was unintentional (37 C.F.R. §1.137(b)(3)).
5. I hereby declare that I, Scott Cordray, Inventor/Applicant, reviewed the entire patent and related documents and that I was furnished the complete Declaration and read the complete Declaration and Power of Attorney prior to signing the same, a copy of which was provided to the Patent Office with its earlier Completion of Filing Requirements (Response to Notification of Missing Requirements Under 35 U.S.C. 371). (The \$65 surcharge for filing late Declaration was also previously paid).

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Respectfully submitted,  
SCOTT CORDRAY, Inventor/Applicant
